

Conversations on Black Art, Community, and Legacy

Join the Black Metropolis Research Consortium for our virtual visual arts series. This series focuses on the amplification of works by Black Artists in an effort to preserve individual and community legacies. Join us each week in April as we learn more about the organizations and networks that support Chicago's Black art and artists. Registration is required for the events in this series.

Tuesday, April 6, 2021 @ 4:00
